

We are a local branch of the nationwide Arts Society, formerly known as NADFAS.

We hold 10 lectures a year on the third Wednesday of each month between October and July inclusive.

The illustrated lectures are held in the Assembly Room of Devizes Town Hall, starting at 11a.m. (to be seated by 10.45) and last for about one hour.

Topics cover a wide range of arts related subjects and are given by professional speakers from all over the country.

We also have Special Interest Days twice a year looking at one subject in depth, as well as outings to places of artistic interest. These are both at an extra charge.

More information, application forms, fee and the Programme for 2024/25 can be found on our website.

Or you could pop in and talk to us between 10.15 and 10.45 before a lecture, upstairs in the Town Hall, where we will also have application forms available.

Wednesdays: 20 March, 17 April, 15 May, 19 June, 17 July.
